Story 013

One day a boy was sitting in his first grade class as the teacher was reading the story of the Three Little Pigs.

She came to the part of the story where the first pig tries to acquire building materials for his home. She read, "...And so the pig went up to the man with a wheelbarrow full of straw and said 'Pardon me, sir, but might I have some of that straw to build my house with?' "

Then the teacher asked the class, "What do you think that man said?"

The boy raised his hand and said, "I know! I know! He said, 'Holy smokes! A talking pig!'"

Story 014

A man saw a great job offer in the paper with much higher pay than what he was getting. He wasn't really qualified, but he decided to apply anyway. A week later, he was called in for an interview.

Realizing that he hadn't submitted a resume when he had filled out the application, he brought a copy with him to the interview. His soon-to-be employer asked a few questions, then read through his resume. After a few anxious moments as he sat in silence waiting for her to finish reading, she put down his resume.

She looked up at him and said, "We have an opening for someone like you."

"Really?" the man replied excitedly. "What is it?"

"It's called the door!"
