Story 019

A salesman was going door to door, and knocked on the door of a woman, who was not happy to see him. She told him clearly that she did not want to hear his message and slammed the door in his face. However, the door did not close and, in fact, bounced back open. She tried again, this time slamming the door stronger — with the same result.

Convinced that the salesman was sticking his foot in the door, she reared back to give it a slam that would teach him a lesson, when the salesman said,

"Ma'am, before you do that again, you need to move your cat."

Story 020

A man was driving on a freeway when he noticed a chicken running alongside his car. He was shocked to see the chicken keeping up with him because he was going 80 km per hour. He accelerated to 100 km per hour and so did the chicken — it actually passed him up. Then the man noticed that the chicken had three legs. So he followed the chicken and ended up at a farm, where all the chickens had three legs.

He asked the farmer, "What's up with these chickens?"

The farmer said, "Well, I bred a three-legged bird because chicken legs sell. I'm going to be a millionaire." Amazed, the man asked him how they tasted.

The farmer answered, "I don't know, I haven't caught one yet."
