Story 005

A man and a friend are playing golf one day at their local golf course. One of them is about to start playing when he sees a long funeral procession on the road next to the course. He stops in mid-swing, takes off his golf cap, closes his eyes, and bows down in prayer.

His friend says, "Wow, that is the most thoughtful and touching thing I have ever seen. You are truly a kind man."

The man replies, "Yeah well, we were married 35 years."

Story 006

A little boy was playing with his father's wallet when he accidentally swallowed a quarter. He went crying to his mother, choking on the quarter. They took him to a doctor, but he said that the quarter was impossible to remove without surgery. Then came a man who said he could get the money out in a second. He turned the boy upside down and patted him precisely on the back of neck and, sure enough, the quarter rolled out. Everyone was amazed, and the father said,

"You must be an expert!"

The man replied, "No sir, I'm just a tax collector."
