Story 007

One day, a man who was staying in a hotel came down to the breakfast room.

He called over the head waiter and said,

"Good morning. I'd like two boiled eggs; one of them so undercooked it's runny and the other so overcooked it's tough and hard to eat. I'd also like grilled bacon that has been left out and a bit cold; burnt toast that crumbles away as soon as you touch it with a knife; butter straight from the deep freeze so that it's impossible to spread; and a pot of very weak, lukewarm coffee."

The waiter was bewildered and said, "That's an awfully complicated order, sir! It might be quite difficult."

The guest replied, "Oh? I don't understand. That's what I got yesterday."

He continued, "Anybody caught breaking this rule the second time will be fined \$70. And if you are caught a third time, you will be fined \$200. Any questions?"

At this point, a male student in the crowd raised his hand and asked, "How much for a season pass?"
