Story 025

A man invited some people to dinner. At the table, he turned to his four-year-old son and said, "Would you like to say the blessing?"

"I wouldn't know what to say," the boy answered.

"Just say what you hear Mommy say," the man said, and his son bowed his head and said, "Dear Lord, why on earth did I invite all these people to dinner?"

Story 026

A salesman telephoned a household, and a little girl answered. The salesman asked her if he could speak to her mother, but she said her mother wasn't there. The salesman asked, "Well, is anyone else there?" and the girl answered, "Yes, my brother."

"OK, fine. May I speak to him, then?" the salesman said.

The girl answered, "I guess so," and after that, there was a very long silence on the phone.

Then, the girl came on again and said, "Hello?"

The salesman said, "It's you. I thought you were going to get your brother."

The little girl sighed and said, "I tried. The trouble is, I can't get him out of the playpen."
