Story 035

Two men were working at the park. One was digging a hole, and the other was coming from behind him and filling the hole. They were working very hard, doing this over and over.

A man was watching this from the sidewalk and was amazed at how hard they were working, but couldn't understand what they were doing. Finally, he walked up to them and asked, "I am impressed with how hard you work, but what are you doing?"

The hole diggers replied, "Well, the guy who plants the trees is sick today."

The driver, offended by the question, said, "Officer, I can't help but notice your eyes are glazed. Have you been eating doughnuts?"
